

## Press Release

### **New Data Reference Schedule used for the Rebalancing of the S&P Global Thematic Indices**

**October 5, 2007** – A new data reference schedule for the rebalancing of the S&P Global Thematic Indices will become effective immediately. The actual rebalancing dates will remain unchanged, to be effective after the close of the third Friday of November, as stated in the respective methodologies. In 2007, the rebalancing changes will be after the close of Friday, November 16. The new reference date for the data used in the rebalancing of all Thematic Indices will be October 19, 2007.

New constituents and weights will be made available to clients a week prior to the effective date. Additions and deletions, if any, will be posted at [www.standardandpoors.com/indices](http://www.standardandpoors.com/indices).

#### **The Global Thematic Indices are:**

- S&P Global Water
- S&P Global Infrastructure
- S&P Global Timber & Forestry
- S&P Global Clean Energy
- S&P Global Nuclear
- S&P Global Alternative Energy

Additions to and deletions from an S&P equity index do not in any way reflect an opinion on the investment merits of the companies concerned.
