Standard & Poor's Announces Important Changes to S&P/Citigroup Equity Indices, S&P Emerging Market and S&P Frontier Indices

VIII. Enhancements to Index Calculations and File Delivery Formats

- Six GCC markets, Bahrain, Kuwait, Oman, Qatar, Saudi Arabia, and United Arab Emirates, will move to 7-day calculations on August 16, 2008.
- Standard & Poor's Index Services will be changing the file formats across all its indices in order to provide a more efficient and uniform product.
